

Oregon Athletic Trainers' Society
Eric Kautzky Memorial Scholarship

The Eric Kautzky Memorial Scholarship was established to celebrate Eric's long standing dedication to Athletic Training Education with his student of Tigard High School and beyond. His efforts in educating high school students interested in athletic training will continue to live on through this scholarship opportunity. His legacy is also visible to those who attend and visit Tigard High School through a courtyard and plaque in his honor that reads:

Eric Lee Kautzky
July 24, 1948-June 18, 2005
"Eric was a science teacher and athletic trainer at Tigard High School for 26 years. He touched the lives of many and will be remembered as an inspirational educator, mentor, healer, and colleague."

"Don't judge each day by the harvest you reap,
